M UCH comment has been occasioned among | SECOND—We are out of the high rent disthe women shoppers of Tulsa relative to the attractive values that are always at the ADVANCE SHOP.

THAT strict economy can be practiced here is self-evident, and there are several good reasons why women visit this shop and investigate qualities and prices before finally making purchases.

FIRST-We are associated with M. BREIT & SONS of New York City, manufacturers of Ladies' Fine Ready-to-Wear, and secure the benefit of a manufacturer's price. For many years M. Breit & Sons have been a leading factor in the making of women's fine toggery and this fact alone should be deserving of your earnest consideration. The name BREIT on a Suit, Frock, Coat or Cape is synonymous of Quality, in the material, style in the design and a complete authenticity.
